## Airlines Terminal To Be Constructed West Palm Beach

Bids for a new airlines terminal building on the south side of International Airport will be opened by the County Commissioner in special session Oct. 15, according to board action at Monday's meeting.

County Engineer J. M. Boyd was authorized to advertise for bids with various dimensions for the temporary building, which he reported should have a minimum floor space of 40x100 feet. The building will probably be constructed of pre-fab steel, he said.

The old terminal building will be used to house such airport facilities as the CAA, the Weather Bureau and Customs and Immigration, Boyd said.

He stressed the urgency for advertising for the bids by reporting the terminal must be ready for use by the first of the year.

In line with airport business, the board instructed County Atty. Harry A. Johnston to proceed with eviction activities against two airport tenants, Glass Doors, Inc., and Industrial Research, who have failed to vacate the field.

The board also signed a lease with the Henderson Roofing Co. which allows the latter to continue occupancy of the old county barn on Park street on a month-to-month basis. The company also agreed in the lease to store the county voting machines. The new contract was signed to place the company's rental on a more temporary basis.

## R. C. White Named South Bay Chief

R. C. White was reelected chief of police and H. S. Walker and W. G. Bowen were elected to two South Bay Town Council vacancies in the municipal election Tuesday.

The new councilmen, W. G. Bowen, 142 votes, and H. B. Walker, 131 votes, won over three other Council candidates: Mrs. Effie D. Allen, 55 votes; Ira M. David, 72 votes, and K. L. Lockmiller, 44 votes.

Police Chief White with 142 vote won the race against three other candidates: C. G. Payne, a former chief, 74 votes; Joseph Hodges, 5 votes, and G. W. Byrd, 9 votes.

Councilmen Bowen and Walker fill vacancies left by retiring Councilmen Mark Challancian and C. E. Crisfield. Hold-over councilmen are Melvin Herring, M. J. Hardy and R. G. Fisher.

The Council will meet next Tuesday night to elect a mayor and a vice mayor, and to map out plans for the year's work. This is the first year the mayor will be appointed by the City Council rather than by popular vote. The new city charter specifies the mayor and vice mayor shall be selected from among the five councilmen.

## Progress Is Shown On Bolton's Store

Joe Casselius, contractor, is making excellent progress on the new Bolton Drug Store being erected in Pahokee. All concrete block walls are up and workmen are busy this week placing the concrete floor joists so that the floor can be poured within the next few days.

The new Bolton store is going to be a splendid addition to the business section of Pahokee since it is modern in every way and will be air conditioned.

## Teacher Chosen To Head Canal Pt. PTA

T. O. Harrison was elected president of the Canal Point Parent-Teacher Association at the October meeting held Monday night in the school auditorium with Mrs. R. T. Smith, vice president, presiding. The special election was held to fill the vacancy left by the recent resignation of L. V. McClelland. The new president was installed at the meeting by A. Q. Howell, member of the County Board of Public Instruction.

Mrs. L. V. McClelland, membership chairman, reported Canal Point PTA has 144 paid-up members to date. The fifth grade was the first school room to reach the membership goal of "200 per cent", with the father and mother of every pupil enrolled on the PTA membership roster according to a report by Mrs. J. W. Repper, fifth grade room mother. The fifth grade, Bob Crandall, teacher, also won the October attendance award. Osceola Upthegrove, program chairman, introduced Patrolman H. Gillette, safety education secretary of the Florida Highway Patrol, who presented a program on "Safety on the Highways."

During the social hour following the meeting refreshments were served by Mrs. J. D. Latham, Mrs. J. D. Pope, Mrs. G. S. Fleming, Mrs. Edward Rogers and Mrs. Fred Kinsaul, hostesses.

The new president is a member of the teaching staff in Canal Point this year.

## Tenants Moving To New Armstrong Bldg.

The new Armstrong building recently completed on Bacom Point is gradually filling up with new tenants. During the past few days Attorney Thadd Whidden moved his offices into the new building. He was formerly located in the Miller building near the post office.

The B. D. Cole Insurance Company, with O. R. Bleech as the Pahokee office manager, has moved their office into the new Armstrong location. The Handley Construction company also has taken office space in the new building. One or two office rooms remain to be rented.

L. M. Collins was a business visitor in Mulberry and Wauchula this week.

## Blue Devils Lose To Key West; Play L. Worth Trojans

The Pahokee Blue Devils, still seeking their first win of the season, lost their second game to the Key West Conchs, 19 to 6, at Key West Friday night.

The Blue Devils had the honor of being chosen as opponents of the Conchs in the first game of football played in that city in 23 years. The game was much closer than the score indicated, with poor punts, fumbles and pass interceptions proving costly to the Blue Devils.

The first and third quarters were scoreless. The Conchs scored seven points in the second quarter and 12 in the fourth before the Blue Devils started clicking when Bobby Schroder culminated a fine Blue Devil drive by passing to Rusty Million in the end zone. They started clicking too late in the game, however, for the Conchs had run up too great a lead for the visiting Pahokee eleven to overcome.

The Blue Devils played the Lake Worth Trojans on Thursday night of this week, a day earlier than the original scheduled date and too late for the game to be reported in this newspaper this week. Coach W. A. Kendrick reported his men were pretty well roughed up in the Key West game with tackle Jack Boland definitely out of play with an injured knee. The Trojans whipped the Conchs and the Conchs whipped the Blue Devils, so statistics were against the Blue Devils as they invaded the East Coast Thursday evening. It's tough having to fight statistics and a football team all at the same time, so we say for the rest of the season forget about statistics, Blue Devils, and hit 'em hard if you want to bag some of those games that lie ahead.

## Rain Ruins Crops In Big Lake Area

Rains over the week end devastated crops in the Lake Okechobee Region. Heavy rains on Saturday, Sunday, Monday and Tuesday as the result of the small tropical disturbance that passed over Florida caused hundreds of thousands of dollars in crop damage.

Rainfall for the week end period in various localities was as follows:

Bryant	10.00 inches
Port Mayaca	15.50 inches
North Canal Point	9.25 inches
Lake Okechobee	is up about a foot and a half as a result of the heavy rains. It now stands at 16.5 feet.

Using portable heaters, in bathrooms, for example, is dangerous if the room in which they operate is not fireproofed with material such as clay tile. It is wise to keep auxiliary heating units away from wooden, painted and other inflammable surfaces.

## Planning Program For Christmas

The Pahokee First Methodist Church School officials and teachers held a meeting Tuesday night with Superintendent Jack Spence, presiding.

Mrs. Arch Blakey, Mrs. B. El liott and Mrs. Louis Davis were named on a committee to make plans for the annual Christmas program for children of the school which will be held on Friday evening, Dec. 21. Refreshments were served by Mr. Spencer at the conclusion of the business meeting.

## Official Census Figures Released

The Department of Commerce in Washington this week released official figures on the 1950 census and interesting changes are noted therein. These are the final figures compiled by the Bureau of the Census.

The figures below show the following percentage increases:

Belle Glade increase of 88.7 pct.  
Pahokee decrease of 6.2 pct.

Population figures for 1940 and 1950 areas follows:

	1940	1950
Belle Glade	3,806	7,219
Pahokee	4,766	4,472
Chosen		1,873
Canal Point		1,022
South Bay		1,050
Palm Beach Co.	79,989	114,688

## Will Ask Bids For Belle Glade School

The Palm Beach County School Board Tuesday afternoon directed Supt. Howell L. Watkins and Architect Edgar S. Wortman to seek bids for construction of the Belle Glade School after members declared the present elementary school "unfit for continued use."

A resolution passed by the board declared, "The situation in Belle Glade now becomes one of emergency since the present elementary school has been declared unfit for continued use. It is therefore moved that all reasonable means are to be used to secure necessary materials for completion of this school building without delay and to prosecute construction to the greatest extent possible."

## Power Company Plan Explained To Two Pahokee Civic Clubs

P. P. deMoya, Glades manager of the Florida Power and Light Company, explained the 30-year franchise to furnish electricity to the city of Pahokee, which the company is asking from the city at the Tuesday luncheon meeting of the Pahokee Lions Club. Mr. deMoya also explained terms of franchise to Pahokee Rotarians at their luncheon meeting on Thursday of last week.

The franchise will be voted on by Pahokee voters at a special election on Tuesday, Oct. 16.

## Teacher Pay Raise To Be Voted On In Election Nov. 6th

An additional three-mill levy for county schools operation which would give teachers a \$300 yearly salary increase will be up for vote Nov. 6, it was announced at a meeting of the County School Board Tuesday afternoon. The added levy would bring the total taxation to 8 mills.

The increase would not become effective until beginning of the next fiscal year in July, according to Supt. Howell L. Watkins. Also included would be the \$200 temporary raise given teachers which would bring the teacher's increase to \$500.

Electors will also vote on Nov. 6 for three school trustees for two-year terms. Present trustees are John W. Turrentine, chairman, West Palm Beach; Roy E. Michael, Jr., Lake Worth; and L. L. Shirley, Pahokee. Candidates become eligible upon the board's receipt of a petition of five electors. Deadline for registration will be 5 p. m. Saturday at the county registrar office at the courthouse.

Candidates for trustee posts must file not later than Oct. 22 in the office of County Supt. Howell L. Watkins.

Approval of the millage increase came upon the board's receipt of a resolution from teacher's groups urging a boost in teacher's salaries. The resolution outlined the need for additional pay on the basis of increased cost of living, and warned that teachers in the county are moving elsewhere to obtain better salaries—Palm Beach Post.

## Uncle Sam Calls Glades Residents

Jasper Edward Spooner, son of Mr. and Mrs. J. E. Spooner, of Pahokee, reported for induction Wednesday, according to Mrs. Virginia H. Glenn, clerk of the Glades draft board.

William I. McClatchey, who was also ordered for induction, requested transfer to Plant City, his present place of residence. He will report with the Plant City induction call in October, Mrs. Glenn said.

A colored delinquent, Columbus Workman, a transferred registrant of a Tampa board, also reported Wednesday for examination and induction, if accepted.

Registrants reporting for the September physical examination call on September 27th were: Joe Marshall Shackelford, Chosen; J. B. Scurlock, Belle Glade, and colored registrants Dan Purvis and Henry Lee Thomas, all born between 1925-1929.

The induction call for October will include two registrants on October 22nd. The physical examination call scheduled for October 31st will include all registrants born between 1925 and 1930 who have not been previously called or deferred.

## Father And Son Banquet Planned

The Canal Point Lions Club at the regular dinner meeting Monday night announced plans for a father and son banquet to be held in the County Park community building Monday night, Nov. 12.

Alton Jones, program chairman, introduced Carolyn, Jacqueline and Horace Scruggs who entertained the Lions with a musical program. President Floyd Erickson presided.

## Clay - Frady

Miss Evelyn Clay, daughter of Mr. and Mrs. Earl W. Clay of Pahokee, became the bride of Phillip Samuel Frady, son of Mrs. Walter B. Hambley of Shafter, Calif., at a double ring ceremony held in the garden at the home of the bridegroom's uncle and aunt, Mr. and Mrs. J. A. Gavins, in Canal Point at 5:30 p. m., Wednesday, Sept. 26.

The vows were read by Rev. James R. Roy, pastor of the Canal Point Methodist Church, as the

couple stood beneath an arch entwined with coral vine and fern with garden greenery and a weeping willow tree in the background.

The bride wore a two-piece white linen suit, pink lace crocheted hat and a corsage of pink rosebuds. She carried a white Bible topped with a cluster of pink rosebuds with white satin streamers sprayed with pink sweetheart roses.

Miss Helen Atkins of Okeechobee, maid of honor, wore an aqua organdy dress with white accessories and carried a bouquet of white roses.

Flower girl was Barbara Clay, small sister of the bride, who wore orchid organdy trimmed with white lace with white accessories and she carried a basket of mixed flower petals.

Robert Martin of Canal Point was his nephew's best man.

Following the ceremony a reception was held in the garden. The table, covered with white lace, had as a centerpiece a crystal punch bowl surrounded by fern. Miss Ann Faye Aud of West Palm Beach presided at the punch bowl while Mrs. Mary Ann Hayes served portions of the wedding cake. Approximately 50 guests attended the

wedding and reception.

After a brief honeymoon spent at Riviera Beach Mr. Frady, who is in the armed services, returned to his base and Mrs. Frady returned to Pahokee to finish her Senior year at Pahokee High School.

## Classes Advanced In Methodist S. S.

Approximately 75 children were advanced to higher grades at the promotion day exercises held by the Pahokee First Methodist Sunday School in the church auditorium Sunday morning. Each child promoted was presented with a certificate by Superintendent Jack Spencer.

Following the exercises the adults of the Sunday School were invited on a tour of inspection to the church kitchen which has been remodeled, redecorated and refurbished under the direction of the Mabel Simonson Circle with Mrs. G. W. Byrd in charge.

The adult group then visited Mrs. Arch Blakey's primary department in the church bungalow which has also been recently redecorated. The primary pupils presented a brief program including a reading, "Appreciation," by Brenda Carter and a song by all the pupils.

Mrs. Blakey, assisted by several of the primary children, presented a corsage to each of the primary teachers and boutonnières to I. M. Lair, J. V. Thomas, R. J. Schroder, Jack Spencer and Lloyd Hundley in appreciation of the work they did in redecorating the bungalow.

## Methodist Women Hear WSCS Delegate

Mrs. W. C. White of Okeechobee, Florida WSCS delegate to the United Nations, was guest speaker at the October meeting of the Pahokee First Methodist Woman's Society of Christian Service at a meeting in the church Monday afternoon. Introduced by Mrs. J. T. Boynton, program chairman, the speaker gave a talk on "The United Nations and World Peace."

Plans were announced for the observance will include a special program under the direction of Mrs. Boynton Wednesday night, Oct. 24, and a period of quiet meditation with Mrs. B. Elliott in charge Thursday afternoon, Oct. 25, both of these meetings to be at the church.

Reports on the WSCS district seminar held in Delray Beach last week were given by Mrs. Leon Spooner, Mrs. Ernest Maxwell and Mrs. W. A. Howell.

Mrs. John A. Dulany led the devotionals and Mrs. Ruth Meredith, president, presided at the business session.

## LIBRARY OFFICERS

Student members of the Pahokee High School library staff elected officers the past week as follows: Charlene Stuckey, president; Annette McIntosh, vice president; Mary Arthur Kirk, secretary, and Lore Ann Rockwell, treasurer.

## Skeets Boe Has A Birthday Party

Mrs. Olaf Boe entertained at the Woman's Club building on Thursday afternoon of last week with a party for her son, Skeets, who was celebrating his seventh birthday anniversary.

The hostess followed a color scheme of green and white in decorations and the guests fished from a fish pond for party favors. The 35 guests included the children of Skeets's second grade room and neighborhood playmates, Mrs. Kathryn Cunningham, second grade teacher, assisted Mrs. Boe with the serving of refreshments of ice cream, cake and punch.

## BPW Club To Sponsor Halloween Booth

Members of the Everglades Business and Professional Women's Club voted to sponsor a booth at the PTA Halloween Carnival for school children at a meeting at the home of the resident, Mrs. Doris Sasser, Tuesday night. The executive board met, prior to the regular meeting.

Plans were made to sponsor a Harvest Dance on the night of Nov. 24. It was announced a social meeting will be held at Mrs. Sasser's home on the night of Oct. 16, with Mrs. Antionette Vertommen and Mrs. Valerie Larrimore acting as hostesses.

# How does it feel to drive a Buick?

If you think perhaps we're hinting that it would be a good idea for you to try out a Buick—mister, you've never been so right.

It does a lot of things for you and to you that will be something new in your driving experience.

Take the way it feels beneath your hands on the wheel—eager and willing and anxious to please.

It spurts when you want to spurt—rolls with effortless momentum when you want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

When you come to a bumpy stretch, each separate wheel on its own coil spring steps you smoothly along on a level keel.

Then there's power that surges into action at a nudge of your toe—sends your speedometer needle soaring up to any speed the law allows, in a matter of seconds.

And there is also thrift—the gas-saving thrift that comes from a high-compression valve-in-head Fireball Engine found in no other car.

To top all this, there is Dynaflo Drive\*—that feeds power in a steady, falterless flow—lets you ride relaxed

in busy traffic or on a day-long cross-country drive.

We're willing to stand on the statement that no other car rides, performs or drives like a Buick.

But why take our word for it? Come in—take over one of these lively lovelies—and see for yourself.

### Cinematic Chatter

By Malcolm Miller

I see by the papers it is authentic that Greta Garbo has gone to Paris where she is to undergo some plastic surgery. Greta insists it is not to cover up any aging lines on her face. Could it be there are some scars on her arms or limbs? I recall that Gloria Swanson has always denied that she has ever undergone plastic retreading. If you could see the "immortal Gloria" you would notice there are no lines whatever in her face . . . it is just an expressionless mask with a strange behavior when she smiles or talks . . . Well, maybe she has never had plastic . . . But It Ain't Natural! There's Fanny

Ward, laying claim to the fact that she, through healthy living, free from worry, has traveled along the road of knowledge well. Well past the sixty mark and looks as youthful as a young girl in her teens. Her hair, like Gloria's, is as beautiful (natural) and abundant as a youngster. Then we have "America's sweetheart", Mary Pickford, a very attractive "young lady", who has a wrinkleless face, with a no lines aspect and a strange twist when in motion. But with Mary, I'm not sure she has ever denied plastics. As far as I am concerned I don't blame the girls for wishing to remain glamorous. It is good business. It brings admiration, prestige and a steady income, and it shows they are ambitious and progressive and not decadent. See you at the movies—Mal.

## Sorority To Sponsor Pony Rides Annual Halloween Party

The Beta Omicron Chapter of the Beta Sigma Phi Sorority at a recent meeting at the home of Mrs. Melvin Spooner voted to participate in the PTA Halloween Carnival by sponsoring pony rides for the small children attending. Miss Bette Lou Pickett, Mrs. Melvin Spooner and Mrs. Frank Handley were named on the committee in charge of this project.

Mrs. Jess Elliott was named a member-at-large and Mrs. Clyde Griffies was appointed on the program committee to fill the vacancy left by Mrs. E. J. Graham when she was granted a year's leave of absence.

Mrs. Melvin Spooner outlined social activities planned for the coming year and Mrs. Clyde Alley, finance chairman, announced some of the fund-raising projects that will be sponsored by the chapter during the year.

Mrs. Frank Handley, program chairman, led a roundtable discussion of the chapter's theme of the year, "Happiness." Mrs. Norman A. Kennedy, president, presided at the business.

Mr. and Mrs. David Unwin are the proud parents of a daughter. Born Wednesday, October 3rd and weighing 7 pounds and 3 ounces.

Mr. and Mrs. Clyde A. Canipe of Pahokee announce the birth of a son, Robert Wayne, at the Baldwin Hospital in West Palm Beach, Sept. 30.

Mr. and Mrs. Rudy Cowart of Canal Point announce the birth of a daughter at the Everglades Memorial Hospital, Oct. 1.

Mr. and Mrs. Vernon Henderson of Lake Harbor announce the birth of a son at the Everglades Memorial Hospital, Sept. 29.

## Grigsby - Fithian

Mrs. Rhoda E. Grigsby of Pahokee and B. F. Aminck of Fithian, Ill., were married at the home of her brother, Willie Taylor, in Wheatland, Ind., Saturday, Sept. 22, with the pastor of the Nazarene Church of that city officiating.

The bride wore a white suit with navy accessories and a white carnation corsage.

On their wedding trip to Colorado and California Mr. and Mrs. Aminck visited his son-in-law and daughter, Mr. and Mrs. Hollingsworth. The couple plan to make their home in Florida.

## Quarterly Meeting Held In Canal Point

Members of the Canal Point Methodist Church held first quarterly conference Sunday afternoon at 4 o'clock, with Dr. J. H. Daniels of West Palm Beach, district superintendent, presiding.

Mrs. Donald Kepp and Miss Dorothy Kinney were elected local delegates to attend the district conference in Fort Pierce on Nov. 28.

M. D. Geiger of Canal Point has been reappointed by the governor a member of the Northwestern Palm Beach County Hospital Board. Mr. Geiger's term expires June 22, 1955.

Clara Baxter of Pahokee has entered her Junior year at Jackson Memorial Hospital School of Nursing. She has been elected Secretary of the Student Council for the coming year.

Mrs. Minnie L. Hughes left Sunday for Zolfo Springs to attend funeral services for her sister-in-law, Mrs. Hunter Flowers, who died Wednesday of last week. She was accompanied by Mrs. Charlotte Walston and Mrs. W. N. Veri.

Mrs. B. W. Wood was called to Jacksonville Monday evening to be with her husband who was injured in a car accident early Monday morning. Mr. Wood has spent the weekend visiting Mrs. Wood in Canal Point and his son and daughter-in-law, Mr. and Mrs. J. Wood, in Miami and was returning to Jacksonville, where he is employed, in his car when this accident occurred a few miles this side of Jacksonville.

Mr. and Mrs. J. B. Elliott had as guests Sunday their son-in-law and daughter, Mr. and Mrs. W. H. Kendrick and daughters of Barstow; also their son-in-law and daughter, Mr. and Mrs. Cohen Blakey and sons, Bobby of Orlando and Billy who is in the Navy, stationed at the Jacksonville Naval Base.

## Baptist Workers In Monthly Meeting

The teachers and officers of the Pahokee First Baptist Sunday School held their regular monthly meeting Monday night with Paul Tillery, the new superintendent, presiding. The meeting was preceded by a covered-dish supper. Approximately 25 were present.

Albert Jaudon, Jr., and Jack Jaudon have returned to Tampa after a short visit with their uncle and aunt, Mr. and Mrs. Wiley Tillis, in Pahokee.

## SOIL INFESTING INSECTS

they work at night,  
while you sleep!

Just about every grower in the state of Florida is acquainted with extensive damage by mole crickets. Thousands of dollars in losses have been reported in many areas from this infestation. But no longer do planters have to put up with subterranean pests, for chemical research in the great plants of the Velsicol Corporation has brought out a product that is recommended for the control of mole crickets... its name is chlordane and its application is simple, rendering immediate results. In fact, there are many reports that in infested fields treated with chlordane, hundreds of dead mole crickets may appear on the surface by the next day.

Chlordane effectively controls not only mole crickets but cut worms, ants, wireworm and many other soil infesting insects. So don't be caught sleeping while mole crickets work. Specify chlordane in your next formulation.

For further details consult your county agent or local dealer for proper recommendations.

Chlordane controls household insects, too.

Additional rights-of-way will be required along certain canals conveyed Thursday by the Everglades Drainage District to the Central and Southern Florida Flood Control District, FCD officials inform. The district acquired the canals which are part of the authorized phase of the flood control program to enable early acquisition of the needed rights-of-way and to have them ready when the time comes to begin construction.

The additional rights-of-way will be used for improvement of the

channel and for disposal of excavated materials, leaving an adequate berm between the channel and spoil for future maintenance program needs. Landowners are notified of the additional requirements as they may plan their own future developments accordingly without building within the limits of the land to be acquired by the district, FCD officials said.

The legend in the lower left corner can be used as a guide to determine what additional lands, if any, are needed. The district, in

most instances, already has a 260-foot right-of-way, 130 feet on each side of the channel center line. The legend shows what the future requirements are so measured from the center line. Thus, as in the case of the last illustration in the legend, where the requirement is 275 feet from the center line and where the district has the 130-foot right-of-way, the district will have to acquire an additional, 145-foot width from the abutting property owner on the side of the center line indicates here. Additional land needs are determined largely through desire to preserve existing roads, officials said.

## To Test Validity Of Small Claims Law

Possible court action to determine the constitutionality of the new 1951 Legislature act setting up a small claims court in

Palm Beach County may be taken by the County Junior Bar Assn. with the County Commission as defendants, according to action of Monday's commission meeting.

F. A. (Banzai) Currie, judge of the new court, requested that the

board supply the necessary equipment and supplies so that the court can get underway with no further delay when the act's validity is determined.

Question of the bill's validity results from the fact that the bill

was not advertised as required by law. Possibility that the Junior Bar would instigate the suit for a declaratory decree was disclosed by W. W. Blakeslee, group vice president and chairman of the committee which sponsored the

small claims court bill.

County Atty. Harry A. Johnston advised the board not to allot any money until some decision is obtained on the bill's constitutionality.
